Robert Buluma

Kenya National Bureau of Statistics

Outgoing Chair, Environment & Participation
Workgroup

Contents

Next steps

Challenges

Way forward

NEXT STEPS

Next steps1/4

- a) Develop concept paper for collecting data on environment and participation for PWDs.

- a) Identify criteria for development of the questionnaires for data collection on environment and participation for PWDs.

Next Steps2/4

d) Present the questionnaire developed to the WG stakeholders for review and adaption

e) Once the questionnaire is approved, then plan for production of the survey manual

f) Look for funding to conduct the cognitive test in selected countries

Next Steps.....3/4

f) Use the cognitive test results from the various countries to finalise the questionnaires and manual

g) Source for funds to conduct the pilot tests to establish the analytic properties of the module

Next Steps.....4/4

- h) Share the results with the WG stakeholders for approved

- j) Present the approved questionnaire and manual to the United Nations Statistical Division for adoption

Challenge

Challenge.....1/1

- ❑ A major challenge is low participation of member countries
- ❑ There is need to bridge this gap
- ❑ This will enable the group to move fast and accomplish the tasks

WAY FORWARD

Way forward..... 1/3

- ❑ The group will meet in June, 2021

- ❑ Main agenda will be:
 - ✓ the formation of the subgroups
 - ✓ the assignment of work per group
 - ✓ discuss when to accomplish the assignment

Way forward.....2/3

- The subgroups will start development of:
 - ✓ Concept paper
 - ✓ Methodological guidelines
 - ✓ Survey questionnaires

Way forward.....3/3

- ❑ I will be leaving the public service on 31st May, 2021
- ❑ Mrs. Renice Bunde will take over the chairmanship of the Environment & participation workgroup
- ❑ Accord her cooperation

THE END
